THE WINDOWS OF GOLD

There is a legend that has often been told
Of the boy who searched for the windows of gold,
The beautiful windows he saw far away
When he looked in the valley at sunrise each day,

And he yearned to go down to the valley below
But he lived on a mountain that was covered with snow
And he knew it would be a difficult trek,
But that was a journey he wanted to make –

So he planned by day and he dreamed by night
Of how he could reach The Great Shining Light . . .

And one golden morning when dawn broke through
And the valley sparkled with diamonds of dew
He started to climb down the mountainside
With The Windows of Gold as his goal and his guide . . .

He travelled all day and, weary and worn,
With bleeding feet and clothes that were torn
He entered the peaceful valley town
Just as the Golden Sun Went Down . . .

But he seemed to have lost his "Guiding Light,"
The windows were dark that had once been bright,
And hungry and tired and lonely and cold
He cried, "Won't You Show Me The Windows of Gold?"

And a kind hand touched him and said, "Behold!
High On The Mountain Are The Windows Of Gold" –
For the sun going down in a great golden ball
Had burnished the windows of his cabin so small,

And The Kingdom of God with its Great Shining Light,
Like the Golden Windows that shone so bright,
Is not a far distant place, somewhere,
It's as close to you as a silent prayer –

And your search for God will end and begin
When you look for Him and Find Him Within.

DEDICATION

Every day, we are reminded, in some way, of three special people: Paula Clerico, Paul Harkins, and David Wood. Their lust for life was an inspiration to us all. We can only sense their presence as we go our separate ways and know they will always be there beside us.

We remember them in that we cherish the joy of knowing them and the happiness they brought, along with neverending kindness. How quickly they have changed our lives.

We, the Seniors at Weymouth South High, and Yearbook Staff, would like to dedicate this yearbook to these inspiring people and to the four seasons. For their never changing happiness will always blossom in our hearts and spirits for the rest of our lives.

SPECIAL THANKS

We, the yearbook staff, would like to thank four especially dedicated teachers : Mr. Vinnie Creedon, Mr. Bob Tohosky, Mr. Dave Nichols and Mr. Andy Pithie. Without their knowledge and guidance this yearbook would not have been possible.

We thank Mr. Creedon for his in organizing the sales of the ads. He has a special flair for getting the community and student-body interested in supporting our yearbook. Thank you for all your time and efforts Mr. Creedon.

Mr. Tohosky 's expertise in the field of photography has proven to be a great asset to our school. He, along with the Photography Club, are responsible for many of the photographs which make up this yearbook. Along with his involvement with the 1986 yearbook,Mr. Tohosky, with help from Mr. Nichols, created two multi-image slide shows. These slide shows take a great deal of creativity and we appreciate all the time you spend working on them.

Mr. Nichols is a major contributor to our yearbook. He, with the assistance of his Industrial Graphics Classes, produced all the typesetting found in this book. Mr. Nichols ' major contributions were the Senior Index, and the ads. Without the ads we would not be able to afford to print the yearbook. Your time and help are greatly appreciated Mr. Nichols.

Finally we thank our yearbook advisor Mr. Pithie. This was Mr. Pithie 's first year working with the yearbook and without his artistic talent we would not have the yearbook we do. Mr. Pithie we can 't begin to thank you for all your time, energy, and for making our work fun!

SOUTH HIGH SCHOOL
1854 - 1986

The first high school in Weymouth was established in 1853 in the Town House that was located in the geographic center of Weymouth at Washington and Middle Streets. The following year the School Committee decided to establish two high schools. For the first five months the school was held in Rogers Hall on Pleasant Street, South Weymouth for students in the southern end of Town. The Chauncy apartment building now occupies the site. The next five months the school was moved to Weymouth Landing for students from North and East Weymouth. In 1865 Two separate high schools were established in the Town. In South Weymouth the students attended classes in the vestry of the Union Congregational Society on Pleasant Street and in 1868 The High School moved back to Rogers Hall where it remained until the completion of the first High School building in South Weymouth in 1874.

The site chosen for the new school was on Torrey Street on the site now occupied by part of the Old South Union Church. The school opened its doors at the beginning of the second term in the spring of 1875 and was called the Torrey Street School. A few years later the name was changed to the Howe School in recognition of Dr. Appleton Howe, a prominent physician of South Weymouth. Dr. Howe was a former State Senator and for many years was a member and Chairman of the Weymouth School Committee. The faculty consisted of two teachers, Mr. George B. Vose, who was also the Principal, and Miss Alice R. Rogers who was the Assistant Principal. Their annual salaries were respectively $1,300. and $450.

In the spring of 1875 the first graduation exercises were held for three senior students, Mary E. Logue, Lizzie Reed, and T. Irving White. When the former Nevin School was being built in 1917 the Howe School was torn down and amongst the items saved were a few of the original slate blackboards. These blackboards were then installed in the Nevin School, In 1983 when the Nevin School was being torn down, several of the original slates were salvaged and presented by the South Shore Hospital to the Resource Center of the "Museum in the School " located in the South Junior High School. In rememberance of the first High School building in South Weymouth built 112 years ago, one of the original slates from the Howe School was placed in the present South High School that opened its doors in 1970.

1985 WEYMOUTH SOUTH VARSITY FOOTBALL

The Weymouth South Varsity Football Team had early success against opponents in the first half of the season. One of the highlights of these efforts was a decisive victory over Hingham High School in South's first home "night game" in mid-October. From that point on, the team's efforts didn't deminish but the results were less than desirable, as South tied and lost some thrilling yet disappointing games.

Although the team's record was not a memorable one, the positive attitude of Captains Joe Sylvester and Joe Fitzgerald and the hard work of many other underclassmen does deserve recognition. Coach Webber would like to thank these individuals, the coaching staff, the parent boosters, the cheerleaders and all those affiliated with the Weymouth South Football Program for their efforts.

Sincerely,

Bart Webber
Head Football Coach

The Volleyball Team 's record of 3-5 was good for South 's first season. The starters were Captains Dawn Connelly and Caryn Condon; along with fellow players Katie Porter, Chris Joyce, Alexandra Naghsh and Libby Porter. Senior Dawn Bagley and underclassmen Katie Gibson, Jennifer Wood, Tara Donovan and Monica Comeau earned Varsity certificates. Seniors who aided the team were Dianne Abdy, Sharon Banks, Paula Clayton, Eileen Gavin and Bev Roberts. The forthcoming years look bright for Weymouth South 's Vollyball Team.

This year's soccer team displayed a great deal of team spirit and enthusiasm playing in a very strong league. With only six Seniors, led by captains Gary Boucher, Steven Coyle and Sean Doyle, the team posted a 5 - 10 - 1 season. Seniors Dave Bristol, Rich Fox and Dave Donovan also played very steady. With many fine young players coming along, South's soccer future looks bright.

After coming out of a season last fall, this year's team, coached by Miss. Dean, suceeded in compleating the year with a winning record of 7 -6 -5. This year's Seniors contributed a great deal to the team's success. At offence Seniors Kristen Babineau, Kerrie Manning and Katie O'Brien kept South's scoring opportunities up. Although one of the better defensive players, Rae Ann Sullivan, was injured early in the season the defense was kept up by fellow Seniors Eileen Gaudiano at stopper and Toni Solimini in net. All in all the season was a competative one and was enjoyed by all participants.

Starting the season with a very young and inexperienced group, the South H. S. Wildcat Boys Cross Country Team emerged as a force to be reckoned with.

Senior tri-captains David Duseau, Joe Driscoll and Scott Rand led a group of 28 runners into workouts during the last week of August. By season's end a 5-3 dual meet record was compiled which put them in a tie for third place in the O. C. L. with the top runners returning for next year's team.

Sophomores Greg Putnam and Tom Bleakney rivaled for number 1 position throughout the season with Junior Steve Ames running as South's number 3 man. Freshmen Rob Hanna and Junior Scott Patterson completed the top five with Junior Tony Adams, Freshmen Steve Gregg and Sophomore Jim Gaudet running as 6th-8th men.

Next year's South team will be stronger and more experienced with good chances of winning the league crown.

The Cheerleaders' wish this year was to bring a new sense of spirit to Weymouth South. They've worked really hard to achieve this goal. They began last summer by spending a week at cheerleading camp at Westfield State College to prepare for the cheering seasons ahead. They brought home several blue ribbons and the spirit award. In addition to this, Allyson Whouley was chosen as this years All-Amencan Cheerleader.

It is this dedication to the school which has made them the driving force behind our new found school spirit.

The season was highlighted by numerous victories : the Christmas Tournament, the two wins over North, and a trip to the State Tournament to name a few. Chris Horne, John Cawley and Allen Jones were chosen to the O.L.C. All Star Team. Coach Fleming was very happy with this years team and is looking forward to another successful season next year !

The upcoming athletes look promising. With the experience of the past season under their belts, the underclassmen should have a good season next year !

HOME COMING

HOMECOMING 1985

On November 9, 1985 Weymouth South High School began a new tradition. After the commendable effort but eventual loss of the annual Homecoming game (20 - 14), an estimated 130 couples turned out in "semi - semi " formal attire to bring in a profit that went toward the Senior Class treasury. The idea of a King and Queen was nixed by the G.O. in favor of a Homecoming Court. Ten Seniors were chosen on a basis of who students felt best represented our school in a way that makes them proud to be part of the class. The court consisted of Kristin Babineau, Kim Cippolone, Larry Gates, Eileen Gaudiano, Rich Fox, Steven Hayes, Matt Marcotte, Joanne Rudolph, Joe Sylvester, and Michelle Toth. Although D.J. KennethKarlberg wore many students out, many other students were still wide awake at the end of the night and were later seen at restaurants and parties. All in all, our first Homecoming Dance was alot of fun and a tradition we hope to continue.

LIFE

What is it?
To some, life is an everlasting hell,
But others see it as a gleaming waterfall.
Me? I visit both worlds everyday.
Often, I am on my own though,
Facing difficult problems and decisions.
It's a long road to travel,
But I've made it safely so far.
In the last year or so,
I've rarely seen that gorgeous sunset.
Hopefully, some day soon,
I will go to that gleaming waterfall
And enjoy life to its fullest,
Never returning to my nightmarish dream.

Paula Clerico

BEST FRIENDS

Someone to laugh with,
Someone to cry to,
When something goes wrong
We can depend on our best friends to help us out.
When I'm depressed, I can rely on them to get me smiling again.
Best friends always seem to have the answers.
They put up with all my faults, and especially my woes.
There will always be a place in my heart for these special people.

Paula Clerico

IMAGINE

It's hard to imagine all of us not being here as one
We've been through a lot in four years
But the time has finally come
We've had a lot of good times
Ones that we will always remember
Those memories will never change
Even if we aren't always together
As the years go by our high school days will
    sometimes go through our minds
The good times we'll put before us
The bad ones left behind
Although the friendships we have made
    might not always last forever
There is a part of all of us
    that will always be together.

Special People (Give Them Thanks)

(Dedicated to Paula Clerico, Paul Harkins, and David Wood)

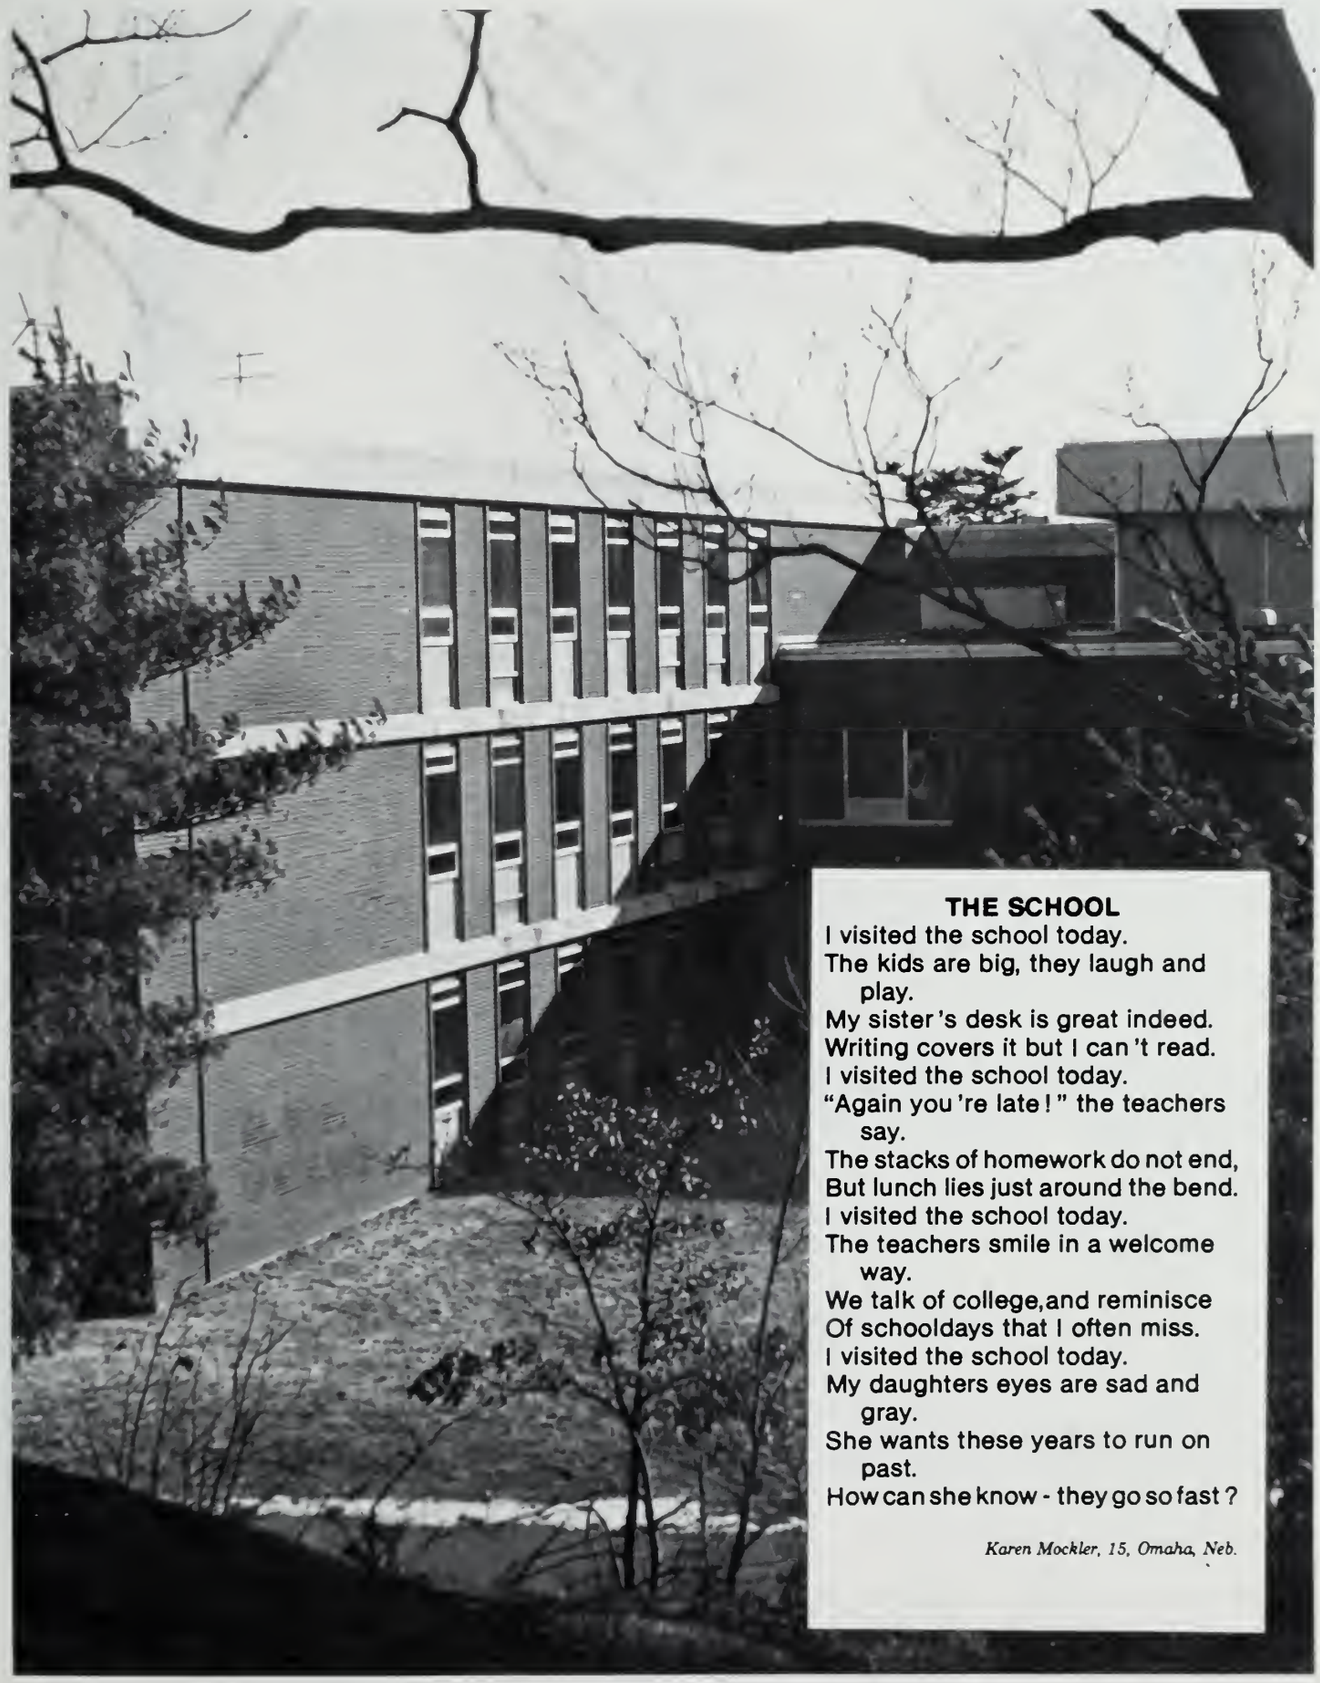
Smiles on their faces,
    forever there
Hearts that touched us,
    loving care
Hands that reached out,
    always near.

Where do they go?
    leaving us behind
Did they ever know
    our love for them
    we wanted to shine.

Laugh now, for they do
    live a beautiful dream
Cry, if your love
    they have not seen
Cherish, for they have been!

Give them love,
    Give them peace,
Give them love.

Sharon Banks



THE SCHOOL

I visited the school today.
The kids are big, they laugh and play.
My sister's desk is great indeed.
Writing covers it but I can't read.
I visited the school today.
"Again you're late!" the teachers say.
The stacks of homework do not end,
But lunch lies just around the bend.
I visited the school today.
The teachers smile in a welcome way.
We talk of college, and reminisce
Of schooldays that I often miss.
I visited the school today.
My daughters eyes are sad and gray.
She wants these years to run on past.
How can she know - they go so fast?
